

### Disclaimer

- “Japanese Joint Local Government Bond Trading Indication” (Joint Bond Indication; JBI) is pricing information provided as reference for the trading (negotiated transactions) of Joint Local Government Bonds. This information is intended to serve as reference only and is not published for investment solicitation purposes.
- Joint Bond Indication is pricing information consolidated from designated reporting members, calculated and published by Japan Local Government Bond Association (JLGBA). These members report pricing information (such as yield) aimed to reflect the prevailing secondary market to JLGBA, based on the market situation as of the close of each publication day. Below is the list of designated reporting members.
